— RIDE IN STYLE

What's on offer

Our vehicles are true limousines offering the very best in external styling whilst providing the ultimate luxury inside. Our vehicles provide a smooth silent ride with comfort and features second to none. Arrive in style and comfort.

AIRPORT SERVICE

There's nothing worse than missing your flight or arriving after a long flight only to wait even longer for your driver to show up. Iconic understands this, we use several methods to avoid these situations. From continual traffic monitoring to flight tracking, we are always working to ensure that your travels are hassle-free.

EVENTS

Iconic Limousines Sydney provide detailed and custom experiences for all event types. Having the very best chauffeurs and vehicles to match arrive at your next event in style and comfort.

Our team provides an exceptional level of service in all areas of our business.

PICKUP & TRANSFER

Iconic provides luxury transfer services. Our experienced chauffeurs understand the importance of arriving on time all the time. Arrive at your destination in style and comfort

STANDBY

Our standby service is like having your own personal vehicle with chauffeur. We will pick you up, take you to your destination in style and comfort, wait for you whilst you attend your meeting and be ready for you when you are ready to move to your next destination

SITESEEING

At Iconic Limousines, we provide a number of pre-planned site seeing tours around Sydney and nearby regions. If you have specific landmarks you wish to see or visit we will tailor a package specifically for you Iconic Limousines Sydney cater for all special events, contact us and discuss your requirements.

Embraer Phenom 100

The Phenom 100EV pushes the boundaries of convention. Combining the performance of a jet with the ergonomics of a turboprop, this aircraft transcends the perceptions of what an entry-level jet can do. Intuitive avionics paired with enviable thrust, superior hot-and-high performance, and an elegant cabin bathed in natural light opens a world of possibilities.

PASSENGERS  maximum X 4

Embraer Phenom 300

The Embraer Phenom 300E is the newest and most technological advanced jet on the market. Boasting a modern cabin and great capability, it's the only one in the country to date! The Brazilian made aircraft has six executive leather seats with swivel and fully reclining features, adjustable head rest and retractable arm rests, complimented with a two-seat divan at the front entrance creating an eight-seat cabin in complete luxury!
